

Finding
success in
school and
in life

School Based Programming

We offer a variety of school-based services catering to your school and designed around your child's unique needs. Our services are offered for all school aged students.

- » Individual counseling at school
- » Case management
- » Mental health small groups
- » Teacher trainings
- » Wellness screening tools

FAMILYPRIDEONLINE.ORG

Supporting schools and students

We understand that the hustle and bustle of before and after school can lead to challenges with getting students the help they need. We offer in-school counseling and case management to help students focus on mental and emotional needs throughout the school day.

Hours of Operation

Office phones are open
from **8:30 a.m.-5:30 p.m.**

Appointments are flexible to best meet the needs of our clients and families, including evening & weekends (by appointment only).
